Release

Our de-shedding package!

Shed happens, and we are here to help. Restore the vibrance and shine to your pet's coat with our release package! We will perform our signature "close, open, close" method with the finest products for their coat type. This, along with the use of specialty deshedding tools, we are able to rid your pet of dead, unwanted hair. This package ensures your pet extra dedicated brushing time, and a hands-on assessment of coat health. Give your Roomba the break it deserves, and let our experts work their magic! (prices may vary depending on breed and severity)

Relief

GREAT for senior/itchy pets!

Itchy skin, raw paws, or sore muscles? We have the solution! Soaking in our warm conditioning cream soak will surely ease your pet's skin and melt away their fatigue. Your best friend will feel so at ease with a steamed towel facial massage, and lots of kisses to match. To combat irritated paw pads - we submerge their feet into a fizzy foot soak made with white tea tree oil & seaweed extract. Oh - but that's not all! We then perform a hot-stone full body massage to soothe your pet's stiff muscles, and promote healthy blood circulation. To cap off this divine experience, your pet will be alleviated of dryness or cracking with our paw, elbow, and nose miracle butter treatment.

+ add a Hydrotherapy session for extreme effectiveness!

Puppy Paradise

Welcome your new fur baby into the grooming world in first-class fashion! Your little one will enjoy a peanut butter lickpad during their tub time, to reinforce the new experience as a positive one. Using treats and praise, we take extra time to introduce every brush, tool, noise, and gadget in our salon (slowly!) as to create positive connections to these new things. Combined with calming aromatherapy, we perform a muscle stretching massage as to ready-up your best friend for a life full of activity. Finished off with gentle nail filing & a socialized play session - your pup will be DYING to come back!
